Let us help you with...

- reading the assignment sheets
- creating daily and weekly lesson plans
- developing a schedule that works
- setting up a learning environment in your home
- making sure your student is learning
- finding the teaching moments in everyday life
- filling out all that paperwork
- reaching out to other home study families

Please join us for our first Parent Workshop of the year!

Mrs. Mercado, an AVLA supervising teacher, will help you develop proven organizational skills that work to ensure:

- your student is learning,
- you will be prepared for your monthly Blue Week meetings, and
- you will enjoy the experience of teaching your child at home.
