Research has shown that the attitudes, behavior, and achievement of children are enhanced when parents or other caregivers are involved in their children's education. To that end, the Antelope Valley Learning Academy has adopted this parent and family engagement policy in order to promote learning and provide a more positive learning experience for the students. This policy is in alignment with the LEA's plan developed pursuant to federal law and submitted to the California Department of Education (CDE) with the Antelope Valley Learning Academy's Consolidated Application.

Antelope Valley Learning Academy in collaboration with its Title 1 parents/guardians has developed a written Title I Parent and Family Engagement Policy. Input from parents/guardians and other stakeholders was solicited at a scheduled public meeting open to all interested stakeholders on meeting date. In addition, parent/guardian input and feedback is solicited through group discussions and surveys as part of our process for continual improvement. Parents/guardians are also given opportunities throughout the school year to give their input on programs and policies and participate in annual meetings and workshops in order to make informed decisions about their child's education.

The Antelope Valley Learning Academy leadership team in collaboration with its Title 1 parents/guardians will be responsible for developing, revising, and approving the Parent and Family Engagement Policy annually, at minimum, to ensure that the policy meets the current needs of the parents/guardians and school.
