

## ELAC Meeting Minutes

March 16, 2023

@ 2:00 PM

- ELPAC Testing Update

- This year the ELPAC testing session at AVLA School opened on February 8<sup>th</sup> to February 17<sup>th</sup>, 2023.
- Letting parents know that all students who are attending have tested as the site is at 95+%

- Why is ELPAC Testing important for every EL student

- Along with English credits needing to be completed, ELPAC is a state requirement to scale the proficiency of a student in the English language.

- Process for student reclassification

- Students need a score of 4 on the ELPAC.
- Students need 5 English credits within the school year.
- Students need an English NWEA score of 207 and higher.

- CAASPP Testing Dates March 20 – 24/ 2023

- Students will be state testing again. Except this will only be the 11<sup>th</sup> and 12<sup>th</sup> graders.
- Tests will be in Math and Science. Parents and students have been notified of this.

- SPRING Break April 4-7, 2023

- Spring Break is different than it was last year. Parents are notified of the time off for this year.

- CONGRATS to our students for their participation in:  
Child Development (20 elective/assistant preschool teacher certification)  
1/17/22-4/14/22  
- Some students have the opportunity to obtain college units as well as a certificate for completion of this course.

### Parent suggestions

- Parents were pleased to find out about services that the school provides for all students. In particular, for our EL population.
