### • LCAP Survey Results

- Mr. Morris presented the LCAP survey that
- What do you feel is a strength of AVLA's in terms of building relationships with Students?
  - No Comment
- What should we focus on to improve on building our partnership with you?
  - No comments
- What do you feel is a strength of AVLA's in terms of building relationships with Students?
  - Parent Lilian Sanchez: I think the classes that the school provides like dual enrollment and Graphic Design. My kids are doing very well and your staff is very positive.
- What should we focus on to improve on building our partnership with you?
  - Parent Lilian Sanchez: No suggestions, I think your staff is doing a great job.

### • Campus Highlights

- Mr. Contreras went over Pathway trip dates with parents. Dual enrollment courses and our previous success rate with students that have taken dual

enrollment courses. Mr. Contreras also shared our students' clubs such as Student Council and Black student Alliance.

- CAASPP Testing window 3/28-3/29 our campus will be closed for regular student appointments

- **Ensuring Student Progress**

- Mr. Contreras explained the site expectations to ensure our students are successful. He went over required attendance and credit completion. He also went over the importance of students utilizing provided tools to succeed such as school email and student planners.

- **Campus Updates**

- Mr. Contreras went over important dates with parents such as Parent teacher conference, Spring Graduation and or next Saturday school.

- **NWEA/Illuminate**

- NWEA allows us to see where our students are academically to properly place them in classes. This test is done twice a year spring and fall. We use this to measure growth in our program.
- Illuminate testing is used to ensure students are meeting the state standards. Students take this test after each unit.

- **Open discussion and suggestions**

Parent (Lilian Sanchez asked about our Spring Break week and Prom. Mr. Contreras informed parents of Spring break week 4/10-4/16 and informed them that the site would be closed. He also informed them of the importance of their student being prepared for the closure and making sure they have something to work on during that week. Mr. Contreras informed the parents that we are currently working on prom, once all the details have been finalized our counseling team will let seniors know.
