- LCAP overview
  - o Parents were showed pictures of the AVLA LCAP infographic
  - o The school's 'story' was gone over (demographic data, amount of students, CTE pathways, etc)
  - o LCAP highlights such as AVLA's success rate, suspension rate, and annual survey results were also shared.
  - o The 4 LCAP goals were discussed and data on these goals will be shared at the next PAC meeting
  - o Finally, AVLA's educational partners were read to the parents
    - No parent/guardian questions or comments during this portion of the meeting
- Highlights

- Numerous campus events were shared out – Life Skills group, Food Fiesta, Vision Board workshop and the regional Elevate summit on September 26<sup>th</sup>
- The SGI courses AVLA offers and their benefits to student success were also relayed to the parents.
  - No parent/guardian questions or comments during this portion of the meeting
- New Safety Procedures
  - AVLA's new search and wandung procedures were discussed
  - All students and guests will be subject to search and wandung procedures upon every entry
  - Ways the school communicates with stakeholders was gone over
    - 1 parent commented that they like that the school is going in this direction. Likes that the school will be safer.
    - Another parent asked if students could check in safety devices with security upon entering the school and retrieve them once they are leaving. Mr. Contreras said that he needs to look further into this request and would get back to the parent.
