Parent Advisory Committee

5.3.24

1. New School Year Updates

- a. School policy prohibits vaping or using other tobacco-related products at school or at school-sanctioned activities. Vape detectors will be found in all student restrooms and if alerted can result in school discipline.
- b. Cellphone usage is not permitted on campus. Students must keep phones on silent or turn cellphones off to maintain our educational setting.

2. School Safety Update

Mr. Edwards discussed our new entry procedures. ALL students will be subject to wandings and bag searches upon entry by our security personnel. This procedure aims to prevent the introduction of prohibited items onto school premises, ensuring a focused and secure learning atmosphere.

3. Brivo Cards

Students must always wear their student ID and Brivo card when on campus. ID needs to be worn so that it is visible.

4. Prohibited Items

Mr. Edwards discussed and gave examples of items that are prohibited on school campus. Examples of prohibited items include weapons, tobacco, vapes, alcohol, controlled substances, and inappropriate paraphernalia, as outlined in our student handbook.

5. 2024/2025 School Year Calendar

A printout of the 2024-25 school year calendar was given out to all parents and students. This calendar includes important dates such as breaks, holidays, and school tracks.

Mr. Edwards asked parents what we can do improve our school?

Parent said they wish we had more SGI classes to support our students. Mr. Edwards let them know about the science, dual enrollment, history, English and ELD SGI classes we currently offer.

Another parent stated that they wish we had music classes for students.
